

Avery® Conformable Chrome Easy Apply RS™ (SF 100-843-S)

Personalise your vehicle by adding shine like never before.

Get that special accent or sporty touch with Avery Dennison's Conformable Chrome Easy Apply RS™ (SF 100-843-S) film.

Customers will be amazed at the effect that the Avery Conformable Chrome Easy Apply RS™ can create on vehicles of all types.

The high gloss mirror-like finish gives a true chrome effect that is otherwise difficult or expensive to apply. With good conformability, you'll be able to apply to mirrors or raised features on the vehicle with ease.

Installers will love the Easy Apply RS™ adhesive technology features, enabling repositionability and slideability of the film, plus air egress channels that help eliminate bubbles and wrinkles - saving on valuable installation time.

Designed for use in both the vehicle and graphics markets where high end chrome accents and special effects are desired.

SPECIFICATIONS

Film: 142 micron chrome finish film

Adhesive: Long Term Removable with Easy Apply RS™ technology

Liner: Two sided PE coated StaFlat™, 145g/m²

Outdoor life: Up to 3 years Asia Pacific, vertical exposure

Avery® Conformable Chrome Easy Apply RS™ (SF 100-843-S)

Feature	Advantage	Benefit
Easy Apply™ Adhesive Technology	Eliminates wrinkles and bubbles	Easy to work with and reduces application time, allowing for greater efficiency
Repositionability and Slidability	Easy to reposition and slide with minimal force	Lays down smoothly after pre-tacking without losing adhesion
High Gloss Finish	Vibrant mirror-like chrome effect on the vehicle	Superior appearance
Complementary to Avery Dennison Wrap Films	Provides a special touch to existing Supreme Wrapping Film or MPI 1005 Supercast wraps on vehicles	Applies on or around existing wraps for a special effect
Long Term Removability	Excellent removability with heat and/or chemicals	No adhesive residue, resulting in reduced removal time
Conformability	Conforms to simple shapes and curves	Few or no relief cuts needed. Allows for application on rounded vehicle features
